### deAlto Rioja 2016, Spain

*'Basic, cheap Rioja has to be nothing much more than a good drink, and this is. It's savoury, more about damp 'forest floor' and fresh earth than bright primary fruit, while the palate is soft and medium-bodied, with abundant fine, supple tannins. It's typical and food-friendly.'*

*(Screwcap)*

Ageing: drink now to six years

Food: Manchego cheese
